

Lake Seneca PTA

13600 Wanegarden Drive, Germantown, Maryland 20874

Friday, April 26, 2019
All Purpose Room (APR)

Join us for an educational evening to support our curious students. Our goal is for the children to gain experience exploring a topic in a fun, non-competitive atmosphere.

6:45 pm: Students with projects will set up their display boards and materials in the APR.

7:00 pm: Special presentation by Guest Scientist.

7:30 pm: Students will present their projects and answer questions.

8:20 pm: Certificates of participation presented to students.

8:30 pm: Students will dismantle their displays, clean table area, and depart with family.

Participation is open to all students in Kindergarten through 5th grade. Each project must include a standing tabletop display board that includes: student name, grade, questions explored, and other info related to project. Students may bring objects such as a model, sample, or related material to accompany display, will have the opportunity to describe their projects, and report their findings.

- Entry deadline: April 5, 2019. Complete form below and return it to your child's teacher.
- Science Fair Guides will be made available on <https://lakesenecapta.com/>.
- Tri-fold display boards are available by request and must be noted on entry form.

Please help your student select a topic based on their abilities and interests. Ideas and topics for science fair projects can be found at:

- <https://www.sciencebuddies.org/>
- <http://www.cool-science-projects.com/>
- <https://www.sciencemadesimple.com/>
- <https://www.education.com/science-fair/>

Questions? Please contact Yesenia Diaz at president@lakesenecapta.com

Please print legibly & return bottom portion to school by **Friday, April 5, 2019**. One form per student is necessary.
